

As a client of ISI Financial Group Inc. ("ISI"), by clicking on either of the links below I elect to participate in the password-protected access portion of ISI Internet web site. I understand that my participation will allow me to review certain investment-related information published by ISI and unaffiliated third parties. This password-protected access is made available to clients of ISI free of charge. This authorization shall continue until canceled in writing.

I understand that the password-protected section is a secure web site intended only to allow a client access to information relative to his/her/its specific account. I also understand that I will be assigned an individual password. I agree not to share my password with any other person. I hereby release and hold ISI harmless from any adverse consequences relative to any failure by me to keep the identity of my password secure.

Please select one of the following links and you will be redirected to the appropriate login page.
